VI. Remarks of the Mayor. The mayor joined the meeting for about one hour. The discussion centered around the structural problems of the library building in particular the sprinkler system, the current need for a fire watch while the library is open and the ongoing problems with the air conditioning. The Mayor spoke about the need for long term solutions requiring studies as opposed to the short term fixes when problems arise. Other items discussed included the contingency funds of the library, the fund balance, the taxing districts of Briarcliff and the surrounding libraries. Mayor Vescio asked about the special district library status that the Village Manager mentioned when he visited the Board. The Mayor seemed most comfortable talking about the current capital projects that the Village is undertaking in particular the renovations of Route 9A and 600 Route 9. The Board was pleased to host him at this meeting.
